

WorldHelp® PRAYER GUIDE

Join the World Help family in praying over the urgent needs of refugees and displaced people around the globe.

WEEK 1

PRAY FOR DISPLACED AND REFUGEE FAMILIES WITHOUT ACCESS TO ESSENTIALS

Almost 85 percent of families living in refugee and IDP camps worldwide lack basic supplies like food, clean water, and medical care. Parents struggle to find stable employment, so they must rely on humanitarian aid. Sadly, there's rarely enough to go around, and they often go without basic necessities. *Please pray that God will provide essentials for displaced and refugee families in need.*

WEEK 2

PRAY FOR DISPLACED AND REFUGEE CHILDREN WHOSE LIVES HAVE BEEN DISRUPTED

It's estimated that more than half of all refugee and displaced children don't attend school – but their troubles don't end there. These boys and girls are also more likely to be pushed into child labor, human trafficking, or early marriage just to survive. Some are exposed to violence and exploitation with little or no protection. *Pray that God would rescue these children and provide for their families so they can have a better, brighter future.*

WEEK 3

PRAY FOR DISPLACED AND REFUGEE FAMILIES WHO HAVE LOST THEIR LOVED ONES

Many women and children from war-torn nations are mourning for their husbands, fathers, and brothers who lost their lives fighting on the front lines. But violence isn't the only cause of death during times of war. Countless lives are also lost because of starvation, preventable diseases, a lack of essentials, and other causes. *Please pray that God would comfort everyone grieving their loved ones and remind them of His love and provision.*

WEEK 4

PRAY FOR DISPLACED PEOPLE AND REFUGEES WHO HAVE ENDURED TRAUMATIC EVENTS

Many of the men, women, and children living in IDP or refugee camps have made harrowing journeys to escape wars or natural disasters. Those who've suffered from traumatic events during a crisis are at an increased risk of PTSD and other trauma-related challenges. This can make life even harder for families forced to flee, especially those already facing hunger and poverty. *Please pray that God would heal refugees and displaced people and open their hearts to His love.*
