

WorldHelp® PRAYER GUIDE

Join the World Help family in praying over men, women, and children who don't have access to clean water.

WEEK 1

PRAY FOR WOMEN AND CHILDREN TRAVELING LONG DISTANCES TO COLLECT WATER

Without a reliable source of clean water close to home, women and children are often responsible for making long, dangerous trips to collect water. Along the way, they face frequent dangers from bandits and wildlife. If they don't have shoes, they must carefully avoid stepping on sharp objects like glass. *Please pray that the Holy Spirit will protect women and children on their daily journey to collect water.*

WEEK 2

PRAY FOR PEOPLE SUFFERING FROM WATERBORNE ILLNESSES

Drinking contaminated water leads to serious health risks such as cholera, typhoid, dysentery, and in some cases, even death. Boys and girls around the world are frequently too sick to go to school, causing them to fall behind in their education. And when adults are unable to work, they don't receive the income needed to provide for their families. *Pray for God to heal people suffering from waterborne diseases.*

WEEK 3

PRAY FOR BUSINESSES STRUGGLING TO SUCCEED WITHOUT ACCESS TO WATER

In places where drought is common, it's difficult for agricultural and livestock businesses to flourish. They often don't have enough water to grow essential crops that provide food for the entire community. Without a reliable source of water, it's also difficult to care for animals like chickens, goats, and cows. *Please pray that God will continue to provide these regions with steady access to water for businesses to thrive.*

WEEK 4

PRAY FOR PEOPLE AROUND THE GLOBE TO EXPERIENCE THE LIVING WATER

It's difficult for many people living in poverty to accept the Gospel when their basic needs aren't met. That's why so many wells are built at churches! When people in the community come to collect clean water, their physical needs are met, and they have the chance to experience the Living Water found in Christ. *Pray that God will use clean water projects to make His name known worldwide.*

**Provide clean water
to people in need today.**
