

YOU PROVIDED HELP AND HOPE WORLDWIDE!

Thank you for transforming lives all around the globe!

In many areas around the world, people living in poverty or in the aftermath of a disaster don't have the essentials they need to survive. Others lack access to resources like God's Word because of poverty or persecution. By giving to help where needed most, you provided life-changing relief to someone in urgent need.

Through your generosity, you provided people with essentials like food, clean water, medical supplies, clothing, God's Word, and more. Lives were transformed because YOU decided to give!

Here are two testimonies to give you a glimpse at the impact you made:

As a result, Nabil could only watch as his five children began to suffer from malnutrition. He didn't know where he could go for help.

But thanks to your incredible support, Nabil and his family received a supply of fortified rice! Now, Nabil has nutritious food to feed his children. This rice will

VIKAS: THE MIRACLE OF WATER

Vikas* is a pastor in a rural South Asian community. He leads a thriving church, but they had a serious problem: their community didn't have a source of clean water. **They often had to get water from contaminated sources, which put them at risk of serious illnesses.**

But then world changers like you stepped in to help! **Thanks to generous World Help supporters, a new clean water well was constructed in Vikas' community. Now, they have an unlimited supply of fresh, clean water.**

“We are very thankful and grateful for this blessing,” Pastor Vikas said. “This project totally solved our great problem in water and helped us in many ways.”

This new water well didn't just help meet physical needs — it was also a reminder of God's love and provision for Vikas and his community.

Thank you for giving to transform the lives of people like Nabil and Vikas. You have made an incredible impact by serving as the hands and feet of Jesus all around the world.

THANK YOU!
