

YOU PROVIDED CLEAN WATER AND BIBLES IN UGANDA!

Thank you for transforming lives in Kabongezo, Uganda, by providing clean water and Bibles during the 2024 Leading and Loving It Conference!

Located miles away from the nearest city, the residents of Kabongezo didn't have a stable source of clean water. They relied on the rainy seasons for drinking water and had to buy more when their supply ran out. People in this impoverished community also struggled to afford Bibles. Many of them longed to read God's Word for themselves but had never owned a copy.

But your generosity changed everything! During last year's Leading and Loving It Conference, you helped raise money to provide a new water well in Kabongezo, impacting 2,000 people. You also helped provide the gift of Bibles, introducing people to the hope of God's Word!

Here are two testimonies to give you a glimpse of your incredible impact:

JOSEPH: A LIFESAVING GIFT

Twenty-three years ago, Joseph came to Kabongezo to pastor a growing church. Since then, he and his family have struggled with the community's lack of clean water.

Kabongezo's only natural source of water is over a mile

Your gift to help provide clean water and Bibles has made an incredible difference in Kabongezo!

away, so they had to walk every day to retrieve water. To make matters worse, the water was contaminated. Joseph and his family constantly risked catching waterborne diseases like cholera.

Joseph also worried for his community. Every day, he watched people of all ages traveling to fetch water that would likely make them sick.

Thankfully, you stepped in to help at just the right time! **Thanks to the well you helped provide, Joseph, his family, and his community now have access to an unlimited supply of clean water!** And since the well is next to his church, Joseph can share the Gospel with those who come to use it.

“We used to [travel] a very long distance to collect water, which ... was dirty and contaminated because it was the same water animals drank, causing our diseases,” Joseph said. “But now, we have a well nearer, and it provides clean water to us.”

Thanks to you, Joseph and the other residents of Kabongezo now have access to clean, safe water. Your support helped save lives!

MARGRET: A FIRM FOUNDATION

Margret is a Christ-follower dedicated to teaching her children about Jesus, but her family couldn't afford a Bible because of their small income. As a result, she struggled to teach her children how to read and study Scripture.

Without a Bible, she didn't know where to turn for hope and encouragement during troubling times. She wanted to grow her faith but didn't know where to start.

Thanks to your generosity though, Margret and her family recently received their very own Bible! Now, Margret can teach her children about Jesus and draw hope, wisdom, and strength from God's Word.

“Without direct access to God's Word, I lacked a spiritual foundation to sustain me through trials,” Margret said. “But now, regular Bible reading has established a stronger

spiritual foundation for my entire family.”

Thank you for providing the community of Kabongezo with the life-changing gifts of clean water and God's Word. You have made an impact that will outlive you and last for eternity!

THANK YOU!
