

# WorldHelp® PRAYER GUIDE

Join the World Help family in praying over persecuted Christians around the globe.

## WEEK 1

### **PRAY FOR CHRIST-FOLLOWERS IMPRISONED FOR THEIR FAITH**

Millions of Christians around the globe are persecuted for their faith. In countries like North Korea, people can be arrested for simply owning a Bible. Once taken into custody, believers are often sent to labor camps as punishment. Unfortunately, many of them die before they complete their sentence. *Please pray for God to provide a peace that surpasses all understanding to imprisoned Christians.*

## WEEK 2

### **PRAY FOR CHRISTIAN LEADERS MINISTERING TO PERSECUTED POPULATIONS**

Sharing the Gospel in countries facing widespread persecution is dangerous work. Pastors are often imprisoned, harassed, and violently attacked. But they are willing to risk everything, even their lives, to spread God's Word. *Pray for the Holy Spirit to guide and protect pastors as they share the Good News with people who have never heard the name of Jesus.*

## WEEK 3

### **PRAY FOR CHRISTIANS WHO RISK BECOMING OUTCASTS FOR FOLLOWING CHRIST**

In countries where religions like Hinduism and Islam are more commonly practiced, converting to Christianity can bring great shame to a family. If someone is caught, they could be exiled from their family and their entire community. *Please pray for God to soften the hearts of communities closed to Christianity.*

## WEEK 4

### PRAY FOR THE HOLY SPIRIT TO MOVE IN THE HEARTS OF PERSECUTORS

People who oppress and attack Christians often live in countries shrouded by spiritual darkness. They haven't heard the true message of the Gospel or experienced the love of Christ, so their actions are driven by fear and hatred of what they don't understand. *Please pray for the Holy Spirit to move in the lives of those who oppress Christians. May their hearts and minds be transformed through the saving grace of Jesus Christ.*
