Get to Know Emily Laing!

Emily is the Donor Reporting Supervisor on our Marketing Team! When she's not at work, you can find her reading, gardening, or cooking up something new in the kitchen. But here's a fun fact you might not know about Emily...

While procrastinating on writing a college paper, Emily became an ordained minister online! She's about to celebrate her 10th anniversary and said, "Hit me up for all your ministerial needs."

We asked Emily the question, "If you could have dinner with one actor, one musician, and one athlete, who would it be?" Her answer: Hilary Duff, Steven Tyler, and David Ortiz. Who would you have dinner with?

Happy Birthday!
