

Bibles ⁼ FOR ₌ All

The Bible is one of our most precious resources, yet countless people around the world have never owned a copy. Persecution and poverty often prevent Christ-followers and seekers from accessing God's Word. Sometimes, they just can't afford it. Other times, owning a Bible is illegal.

But as a *Bibles for All* Ambassador, you'll provide Bibles every month for at least three people who need them most.

WHERE WILL THE BIBLES GO?

Each month, your gift will provide God's Word to where it's needed most. You'll send Bibles to places such as:

India: As the world's most populated country, India is also home to one of the largest concentrations of unreached people groups on Earth. Many people living in poverty also can't afford Bibles.

Iran: Christians in Iran, especially converts from Islam, often face intense pressure and persecution for their faith. The sale and distribution of Bibles is also illegal and can result in harsh punishment.

Nigeria: Terrorist groups have driven thousands of Nigerian Christians from their homes. They had to leave everything behind, including their Bibles. Now, they're living without the comfort of God's Word.

HOW YOU CAN HELP

For \$30 a month, you can provide God's Word to three Christ-followers or seekers in need. You may even provide someone with their very first Bible!

Since Bibles are often shared among family and friends, each one will impact five people – so you will reach at least 15 people with the Gospel every month!
