

Burundi

Population: 14.05 million

Main religions: Catholicism (62%), Protestantism (5%), traditional religion (32%)

Reason for Bible scarcity: Poverty

Burundi is one of the poorest nations in the world, and the majority of the population lives below the poverty line. For most people, it would cost an entire month's salary to buy a Bible. That's an expense they can't afford when they can hardly buy other necessities like food and medical care. Some preachers don't even have their own Bibles and have to borrow one to prepare their sermons.

Pray for Burundi

- Pray for spiritually hungry Christians to receive Bibles
- Pray for pastors who are struggling to lead their churches without the resources they need
- Pray for people in Burundi who are living in poverty
