

# Cuba

**Population:** 10.98 million

**Main religion:** Christianity

**Reason for Bible scarcity:** Poverty, limited access

Cuba is more open to the Gospel today than ever before. Hundreds of thousands of Cubans come to Christ every year. But many of these Christ-followers and seekers don't have access to God's Word. Bibles are often too expensive for families to afford, which means many new Christians struggle to grow in their faith.

## Pray for Cuba

- Pray for the Cuban church to continue to grow
- Pray for local pastors as they disciple new Christians
- Pray for men, women, and children who are living in poverty
