ANNUAL REPORT

OVER
1,500,000
LIVES CHANGED!

A LETTER OF THANKS

Thank you for transforming the lives of so many men, women, and children in need over the past year.

Because of you, boys and girls living in poverty are now receiving an education, refugees and displaced people have access to lifesaving medical care, families that were starving have enough food to eat, persecuted Christians received their very own copies of God's Word, and so much more.

You compassionately responded to many of the most urgent needs around the world last year ... but you also made an impact much closer to home. In addition to helping people in places like Ukraine, Afghanistan, Honduras, Burundi, and beyond, you helped people rebuild their lives after Hurricane Helene tore through western North Carolina, and again when families lost everything to the fires in California.

In total, you played a role in transforming 1,552,720 lives in just 12 months!

We are so grateful for your willingness to be the hands and feet of Jesus around the globe. I can't wait to see how you continue to change the world ... one life at a time.

Help and Hope,

Noel Brewer Yeatts
President

OUR MISSION

World Help is a Christian humanitarian organization serving the physical and spiritual needs of people in impoverished communities around the world.

Our mission is to provide **HELP FOR TODAY** and **HOPE FOR TOMORROW**.

The idea behind HELP and HOPE is that faith means very little when people don't have access to food, clean water, or the medicines they need ... but without faith that feeds the soul, meeting those physical needs is just a short-term fix. When you focus on both simultaneously, though, the result is true and lasting transformation.

OUR STRATEGY

We work with 85 trusted partners worldwide to ensure your gifts have the greatest impact.

Because your support is used to help ministries that are already established in the communities they are serving, World Help doesn't need to build and staff offices worldwide, meaning more of your money goes directly toward helping people in need. And because these partners understand the needs of their local communities best, you can be sure your donations are being used wisely and effectively.

NORTH AMERICA

Last year, you made a tremendous impact all around the globe, starting right here in the U.S. Through your generosity, victims of natural disasters received lifesaving supplies during their hour of need ... like when Hurricane Helene tore through **North Carolina**, or when wildfires swept across **Southern California**. Because of YOU, people suffering from these disasters received the help and hope they needed to begin rebuilding their lives.

You Helped Scotty Recover from Hurricane Helene

On Sept. 27, Scotty's home was flooded by Hurricane Helene. In less than an hour, the floodwaters rose so high they reached Scotty's ceiling, forcing him to climb onto his roof for safety.

Four days later, the flooding had completely receded ... but the damage had already been done.

Scotty's home was filled with mud, debris, and contaminated water. The electrical system was destroyed, and nearly everything inside was beyond recovery. His house would need to be gutted and completely rebuilt.

At first, it felt like a hopeless situation that Scotty certainly couldn't face alone. But thanks to your generosity, he didn't have to. **Scotty received tools, building materials, and additional support to help him rebuild his home.**

"Thank you, everyone who was willing to help and willing to contribute," Scotty said. "From everybody here in western North Carolina, thank you so much, and God bless you."

Your support helped impact over 126,300 people affected by Hurricane Helene!

AFRICA

Africa is facing complex challenges like more frequent droughts, political unrest, and extreme poverty. Across the continent, many people lack essentials such as food, clean water, medical care, and God's Word. Thankfully, world changers like you are helping to change that. In just one year, you enabled boys and girls in **Uganda** to attend school, provided crucial supplies for widows struggling to survive in **Rwanda**, distributed Bibles in **Malawi**, and so much more.

The Bible You Gave Kulunga Changed Her Life

To Kulunga*, owning a Bible seemed impossible for a long time — but then you changed everything!

Kulunga lives in Malawi, one of the poorest countries in the world. She carries the full responsibility of providing for her family as a single mother.

When Kulunga became a follower of Christ, she longed to grow in her faith by reading God's Word. But her small income barely covered the cost of food and other basic necessities for her children.

Then, thanks to generous supporters like you, everyone at Kulunga's church received their very own Bible ... including her!

"[Kulunga] says it is the first time she has had access to God's Word in a language she can understand," our partner said.

Today, Kulunga is discovering the hope and peace that can only come from reading Scripture. She is growing in her faith every day and sharing the Gospel with her children, too.

Thank you for distributing Bibles and providing other critical aid to people like Kulunga in Africa. You have truly made an impact that will outlive you and last for eternity!

LATIN AMERICA

Last year, you transformed lives all throughout Central and South America. You helped provide clean water and nutritious food to communities in countries like **Peru**, **El Salvador**, and **Honduras**. Because of you, children in **Haiti** received emergency aid when they urgently needed it, and refugees from **Venezuela** received the supplies they needed to survive. And that's just the beginning — your giving also made an impact in **Belize**, **Cuba**, and more!

You Gave Victor and His Family Lifesaving Food

Your generosity helped provide nutritious food and other essentials to impoverished people in Honduras — like Victor.

Victor works long hours as a farmer in rural Honduras. He makes below minimum wage, and work isn't always guaranteed, but other job opportunities are scarce in his remote community.

As a result, Victor struggled to provide for his family of five. His regular income barely covers the cost of essentials, and they often went without the food they needed to stay healthy. Some days, Victor wasn't sure he'd be able to put food on the table at all.

But that's when world changers like you stepped in to provide Victor and his family with the lifesaving gift of nutritious food! **Thanks to your support, Victor received a supply of nutrient-fortified rice to feed his family.**

"We are grateful for your continued support with these donations," Victor said. "They are very helpful and give us relief."

Thank you for making such an incredible difference in the lives of people in need. You have provided a tangible demonstration of God's love in Honduras and other countries across Latin America.

MIDDLE EAST

For years, the Middle East has endured deep-rooted, interconnected conflicts — and last year was no different. But in the midst of war, you were a beacon of hope for displaced people.

Through your generosity, families in **Gaza** received nutritious meals, refugees living in **Jordan** had access to lifesaving medical care, and Bibles were distributed to persecuted Christians in **Iran**. Your impact was felt all over the Middle East.

You Provided Medical Care for Dina and Her Daughter

Dina* lives in Jordan with her husband and their four children. Like any mother, Dina dreams of giving her children the best life possible. But for years, that dream has been overshadowed by the health issues affecting both her and her daughter.

Dina suffers from high blood pressure and diabetes, conditions that require ongoing medical care and daily medication. Her daughter has epilepsy and requires specialized treatment.

With their small household income, Dina struggled to afford the critical care she and her daughter needed plus daily essentials for the rest of the family.

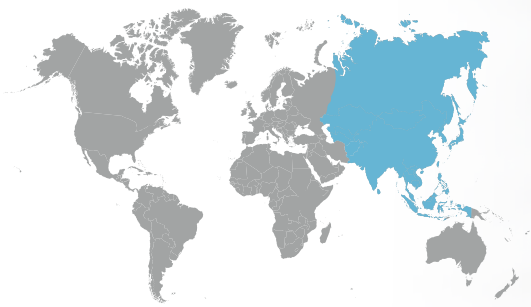

Thankfully, world changers like you stepped in to help provide Dina and her daughter with the necessary medical care. Now, Dina and her daughter don't have to worry about whether they can afford treatment – and that's not all they received, either.

"[You] extended a helping hand by providing her and her family with food to help alleviate some of the burden they face too," our partner said.

Thank you for being a lifeline for refugees, displaced people, and others living in poverty throughout the Middle East. You have helped meet urgent physical needs while demonstrating Christ's love and compassion.

ASIA

Your incredible support transformed lives across Asia. Because of you, Christ-followers and seekers in **China** and **North Korea** received their very own Bibles. You helped spread the Gospel by planting churches in unreached areas of **South Asia**. In **Thailand** and **India**, you helped rescue girls and women from the sex industry, giving them the gift of freedom. Plus, you provided food and other essentials to families living under the Taliban's rule in **Afghanistan** and transformed lives in the **Philippines**, **Myanmar**, and beyond!

You Helped Protect Meera from the Sex Industry

Your support helped give Meera an escape from the dangers of the sex industry. Now, she has a bright future ahead of her!

Meera comes from a community in India where cultural tradition pushes many young girls into the sex industry. Her own mother had been forced into sex work and died from AIDS shortly after Meera was born.

Thankfully, Meera's grandmother allowed her to get an education, but she grew up surrounded by the pressures of the sex industry prevalent in her community. **After Meera graduated from high school, she began pursuing a teaching degree at a university, but she struggled to pay her course fees. As a result, she couldn't take the exams she needed to graduate.**

Meera's situation got so desperate that she thought about going into sex work just to make ends meet. She knew the dangers of the industry, but she felt she had no other option.

Thankfully, when our partners learned about Meera's situation, generous supporters like you provided the resources she needed to earn her degree!

"Thank you for supporting her transformation and success," our partner said.

You played a critical role in helping to rescue girls like Meera from the dangers of the sex industry and for transforming the lives of people all across Asia.

EASTERN EUROPE

As the war in Ukraine continued to displace more people last year, you remained faithful to providing lifesaving help and hope for those affected. Thanks to you, people in **Ukraine** and refugees in neighboring countries like **Moldova, Poland, Romania, and Hungary** received essentials like food, shelter, God's Word, and warm clothing. You also continued to support refugees living in **Greece**.

You Gave Natalia and Vanya Hope for the Future!

Your generosity helped provide clothing and other essentials to Ukrainian refugees and displaced people, including Natalia and Vanya.

Since fleeing their home, clothing has been a constant need for **Natalia and her family**. Natalia had to wear shoes that didn't fit and that gave her painful blisters. And as the seasons changed, she couldn't buy warm clothes for her family. She didn't know where to go for help.

But thanks to you, Natalia and her son, Vanya, received the clothes they needed as well as other essentials. Natalia now has a pair of comfortable shoes, and Vanya has a new sweater to keep him warm when temperatures drop.

"It wasn't just about the shoes," our partner said. "It was about feeling seen, valued, and loved. That's the impact of your gifts."

Your generosity not only provided Ukrainian refugees and displaced people with lifesaving supplies, but it also reminded them they haven't been forgotten. **You provided them and other suffering people in Eastern Europe with help for today and hope for tomorrow right when they needed it most.**
