

YOU GAVE BIBLES TO PEOPLE AROUND THE WORLD

The Bible transforms lives and gives us hope for eternity, but countless Christ-followers and seekers worldwide don't have their own copy. Some have never even read God's Word.

But through your generous gift, you placed Bibles into the hands of people who needed God's Word the most. Because of you, they can now read and study Scripture and grow in their relationships with God. That is priceless!

Check out how one family in Ukraine received the light of God's Word in their greatest time of need:

Oksana and her son fled their home in northern Ukraine when Russia started bombing their city. After arriving in the western part of the country, Oksana struggled for a long time to find hope and strength to face their new reality.

But that's when world changers like you provided Oksana and her son with new Bibles. Thanks to gifts like yours, they now have renewed hope and peace that can only be found in God's Word.

"Oksana gratefully accepted a Bible and other resources for her son, Pavlo," our partner said. "They plan to read these together and discover God in a new way."

Oksana is just one example of how your support transformed lives!

Thank you for providing the incredible gift of God's Word. Now, Christ-followers and seekers like Oksana have the comfort of Scripture, and more people are hearing about Jesus for the first time. You have truly made an eternal impact!
