

HELP FEED STARVING FAMILIES THIS THANKSGIVING

Hunger is reaching catastrophic levels around the world. People are starving, and World Help's international partners are all saying the same thing: "We need food." Rising costs, war, and natural disasters have left many families wondering when they'll eat next.

Your Thanksgiving Food Drive gift will provide lifesaving food and other essentials to people in desperate need. Normally, every \$12 you give impacts one person. But thanks to a \$25,000 matching gift, every \$12 you donate when you give by Nov. 16 will **impact TWO people**.

THE NEED

In countries like Burundi, Afghanistan, and Honduras, families were already struggling to get by, trying to survive on less than a dollar a day. Now with food prices skyrocketing, they're wondering how they're going to survive.

But thanks to a matching gift, you can help *twice* as many people this Thanksgiving season by giving them the food and other essentials they need to survive.

HOW YOU CAN HELP

Every \$12 you give during the Thanksgiving Food Drive will provide help and hope for two people.

YOUR GIFT
2X
MULTIPLIES!

GIVE HELP AND HOPE TO PEOPLE LIKE CORINA

Corina lives in Honduras with her son, daughter-in-law, and two beautiful grandchildren. While her son works in construction and his wife cleans houses, Corina stays home to care for the kids.

But their income isn't enough to support the family. Each day is a struggle to make ends meet, and they frequently can't afford to put enough food on the table. Now, Corina is watching her grandchildren go hungry. Unless someone like you steps in soon, she fears she may lose them.

Will you be the lifeline that someone like Corina is waiting for?

YOUR GIFT'S IMPACT

When you give a special Thanksgiving Food Drive gift by Nov. 16, every \$12 will help feed two people in need. Your gift will provide food and other essentials like clean water, medicine, clothing, God's Word, and more!

As the food and other help you provide is delivered, it will also open the door for our partners on the ground to share the Gospel. In addition, your gift will help plant churches, provide Bibles, and meet needs in countless other ways.

Christ set an example by meeting both physical and spiritual needs during His time on Earth. And with your DOUBLED gift, you can help meet people's physical and spiritual needs too!
