

YOU GAVE BIBLES TO PEOPLE AROUND THE WORLD

As a Bibles for All Ambassador, every gift you make brings comfort and hope to people in need through God's Word. Thank you for providing Bibles in places like Ukraine and around the world.

After a missile struck her hometown in Ukraine, Marina fled for her life. She made it out alive but was injured during her escape. Traumatized and scared, Marina didn't know where to go for help. She had already lost everything, and now she was dealing with an injury and facing an unknown future.

Thankfully, our partners on the ground in Ukraine set up a mobile medical clinic for people affected by the war. There, Marina received the treatment she needed. But that wasn't all!

Because of Bibles for All Ambassadors like you, Marina also received her very own Bible before leaving the clinic. Even though she's still facing war and an uncertain future, she now has God's Word to give her comfort and hope. What a priceless gift!

This wouldn't have been possible without your generosity as a Bibles for All Ambassador. Because of your ongoing support, hurting people like Marina are discovering the love of Jesus through the pages of Scripture. You are truly a world changer.

Thank you again for making an eternal impact!
