

YOU GAVE BIBLES TO PEOPLE AROUND THE WORLD

Your support as a Bibles for All Ambassador doesn't just change lives – it can also transform entire families!

Thank you for providing Bibles every month and spreading the Gospel worldwide. Because of you, people like Yavi and her family are hearing about the love of Jesus.

Yavi lives in South Asia, where following Jesus can be dangerous, so I've changed her name for safety.

For most of Yavi's life, her parents suffered from alcohol addiction. As she grew up, she fell into depression. Her parents struggled to provide for their family, and she didn't know how to help them overcome their addiction.

That's why Yavi was so interested in hearing about the hope of the Gospel when our partners visited her community. In the weeks following, her hunger for God grew. She began praying for a change in her family.

When our partners visited again, a miracle had happened. Yavi's mother was drinking less and focused on providing for her family – and Yavi was eager to learn even more about Jesus.

Every time you provide a Bible to someone like Yavi, you make God's Word accessible to someone who may have never held a Bible before. What an incredible impact!

Thank you again for your faithfulness as a Bibles for All Ambassador.
