RAQUEL'S STORY

Raquel is a dedicated mother raising her three children. She works as much as she can but is paid only a small salary – and as a result, she often can't afford essentials like food for her family. It's a daily struggle just to put dinner on the table for her children ... and she didn't know where to turn for help. Her worst fear is that her family will starve.

But world changers like you recently stepped in. Thanks to gifts like yours, Raquel received enough nutritious rice to feed her entire family!

Now, she no longer has to worry about her children going hungry. They have the food they need to stay healthy and continue pursuing bright futures!

Raquel is just one example of how gifts like yours have made a difference.

Recently, the World Help family also:

- Shipped five containers of supplies to countries like Belize, El Salvador, and Malawi
- Completed four clean water projects in El Salvador, Haiti, and Sri Lanka
- Provided hot meals and clean water to thousands of people in Gaza
- Funded a new church building in rural Malawi
- And so much more!

Thank you enough for being the hands and feet of Jesus on the Front Line. You are making an eternal impact with your faithful giving
