LETTER FROM THE PRESIDENT

As I look back on this past year, I am in awe of how many lives God has transformed through Kingdom Partners. What a privilege to stand shoulder to shoulder with you in bringing help and hope to a world in need.

In 2025, you transformed the lives of over 459,000 people from countries like India, Cuba, Uganda, and right here in the U.S. You helped families recover after disasters, gave persecuted Christ-followers and seekers their own copies of God's Word, helped women experience freedom from the sex industry, sponsored children in need, and so much more!

Your commitment and compassion also shone through the fundraising events you hosted, inspiring other world changers to get involved, too. And this year was particularly special as we celebrated the 20th Annual Kingdom Partners Golf Tournament and all of the lives that have been impacted by that event over the past two decades.

Thank you for being the hands and feet of Jesus to men, women, and children facing poverty and crisis. You were a lifeline to those in desperate need and have truly made an impact that will outlive you and last for eternity.

As you read this report, I pray you'll be encouraged by all God has done through you and inspired to continue making a difference in the years ahead.

Help and Hope,

Noel Brewer Yeatts
President, World Help

*"Truly, I tell you, whatever
you did for one of the least of
these brothers and sisters of
mine, you did for me."*

Matthew 25:40

SHIPPING LIFESAVING SUPPLIES

You helped save lives by shipping essential aid such as food, clothing, hygiene products, medical supplies, and more to people in need around the world.

This year, you helped ship over \$6.4 million worth of lifesaving supplies, enough to impact over 250,000 men, women, and children with practical help and hope!

Your generosity made a tremendous difference for people like Loveness:

Loveness is a 13-year-old girl living in Zambia. Her family can't afford enough food on their own, and Loveness wasn't getting enough to eat at school, either. Sometimes, Loveness was so hungry she couldn't even focus in class or missed school entirely.

But thanks to your support, all of that changed. You helped ship rice to Loveness' community in Zambia, and now, Loveness and her classmates receive nutritious rice meals every day! Because of you, Loveness and other children like her can grow healthy and strong and focus on their education without worrying when their next meal will come.

"I enjoy eating this rice. We eat it every day at 10 a.m.," Loveness said. "I make sure to finish all of it, and it helps me pay attention in class."

Thank you for sending critical aid to people in urgent need. Every box you helped ship carried more than supplies — it carried the love of Christ and the promise of a better future.

PROVIDING BIBLES AROUND THE WORLD

Thank you for providing Bibles around the globe for people living in poverty and facing persecution. Because of you, they now have comfort and hope from God's Word.

You have transformed so many lives by giving Bibles to Christ-followers and seekers worldwide! Your generosity provided **1,184 Bibles** to people in need this year. Because of you, God's Word has reached some of the most spiritually dark places in the world, including North Korea and South Asia.

The Bibles you provided showed the love of God to people like Kiran.

Kiran, whose name was changed for safety, used to practice Hinduism in South Asia. But Kiran never felt true peace in his heart, and there was a lot of sickness and unrest in his family. When our partners met Kiran and his family, he wasn't interested in learning about Jesus. But the visit planted a seed, and when they returned to Kiran's community, they found him transformed.

Kiran had developed an interest in God, and even connected with some friends who helped him find a Christian church. But he didn't have a Bible — and that's where you came in.

Because of you, Kiran received a Bible of his very own! He was thrilled to hold a copy of God's Word in his hands. Now, he's equipped to grow his relationship with the Lord and even share his newfound faith with others in his community.

HELPING GIRLS EXPERIENCE FREEDOM

Kingdom Partners continues to open doors to freedom and dignity for women and girls affected by the sex industry. Thank you for protecting them from a lifetime of abuse and showing them the love of Christ.

By providing essentials like safe housing, education, vocational training, and spiritual counseling, you gave women a way out of exploitation — and a chance to rebuild their lives. Additionally, you've advocated for children living in poverty who were at risk of being pushed into sex work. At this year's Night of Freedom event, you raised thousands of dollars to keep girls safe and ensure they can pursue their dreams.

You gave women and children like Kotchakon hope for a better future.

Kotchakon has lived most of her 10-year-old life in poverty. After her parents separated, her mother couldn't provide her with the essentials she needed. As a girl living in the slums of Thailand, Kotchakon was at risk of being pushed into the sex industry just to survive. Without an education, it may have become her only option.

But you ensured Kotchakon will never have to make that choice. Because of your support, she has access to a quality education, nutritious meals, and other important resources. She even dreams of becoming a doctor one day!

Thank you for faithfully supporting these women and girls. You have transformed their lives and shown them how much they are loved and valued!

Kotchakon

DISASTER RELIEF

When disaster struck – whether across the globe or closer to home – you stood in the gap this past year. Because of your compassion, men, women, and children in crisis received the essentials they needed to survive and the hope they needed to carry on.

You helped provide meals and critical supplies for civilians facing disaster. And here at home, your generosity met urgent needs in many powerful ways:

- Through the 2024 Turkey Wobble, you helped 11,723 survivors of Hurricane Helene receive clean water, emergency food, and other relief.

- After historic floods swept through Texas, you rushed emergency aid to families who had lost everything.

- When wildfires raged especially close to home in California, you not only provided essentials to more than 2,200 victims, but some Kingdom Partners members also volunteered to distribute that aid and bring encouragement to survivors in need.

“*I have no words to thank you. First of all, I thank God for hearing my prayers. I know that our Father takes care of us, and this is His answer through you and your hearts. Thank you.*” – Samantha, wildfire survivor

Thank you again for being on the front lines in the face of disaster. You have been an enduring reminder of God’s love here in the U.S. and around the world.

GLOBAL REFUGEE RELIEF

Around the world, countless families are living far from home because of war and violence. But Kingdom Partners brought many of these families help and hope by providing emergency relief.

Ukraine

After three years of war in Ukraine, you've continued to stand with refugees and displaced people. You have been a constant light in a dark time by providing lifesaving supplies like food, clothing, shelter, and more to families struggling to survive.

Afghanistan

Since the Taliban's takeover in 2021, you have faithfully supported displaced Afghans in urgent need of help and hope. Shortages and high prices continue to make essentials nearly impossible to afford, but because of you, Afghan families received aid like food, firewood, clothing, and more.

Syria

The Syrian civil war officially ended in December 2024, but even with the conflict over, countless people remain displaced and are still struggling to rebuild their lives. Thanks to you, though, refugees received essentials such as food, clean water, and medical care — giving them hope as they take steps toward a new future.

Iraq

Kingdom Partners continues to support a mobile medical clinic in Iraq that provides refugees with lifesaving treatment for injuries and illnesses, as well as preventative care and routine checkups. Over 3,000 people received medical treatment from the clinic this year because of your giving.

CLEAN WATER

Water is life. And this year, Kingdom Partners brought life to people all around the world by giving clean water to communities in urgent need.

When someone doesn't have access to clean water, every drink is a risk. But you helped change that reality for thousands of people.

With every glass of clean water that you provided, you helped people like Febby stay hydrated, healthy, and hopeful.

Febby is a teacher and church leader in Zambia. For years, her community didn't have reliable access to water, which meant that Febby and her neighbors were forced to walk long distances to a stream. But even then, the stream was often contaminated and made them sick.

Thanks to Kingdom Partners members, though, Febby's community now has access to clean water! Febby's life was completely transformed by this incredible gift, and she's so grateful that her students can now stay hydrated, healthy, and focused, giving them a better chance to thrive in class.

Kingdom Partners members gave Febby and her neighbors more than just clean water — you've given them hope for the future and helped introduce people to the Living Water through this incredible example of Christ-like love.

In 2025, Kingdom Partners completed water projects in El Salvador, Honduras, Zambia, and the U.S., impacting over 16,000 people. Thank you!

CUBA CHURCH PLANTING

This year, you helped spread the Gospel across Cuba by supporting church planters.

In 2025, the church planters you supported in Cuba planted 95 new churches and saw over 1,400 new baptisms! Your giving provided essential tools and resources that equipped them to establish thriving faith communities in the areas they're called to serve.

Your generosity was critical to Cuban church planters like Javier.

Javier recently met Mireima, a woman who was extremely weak and frail after a long battle with terminal cancer. She told him that she had never been to church, never prayed, and never had the opportunity to read the Bible. Javier took the opportunity to share the Gospel with Mireima and pray with her.

Then, something amazing happened. Before Javier left, he saw Mireima stand up and walk out of her room with the assistance of her sister-in-law! Javier was amazed to see God's greatness and mercy in action through Mireima. But without you, Javier may never have had a chance to meet her and share the Gospel.

By supporting church planters like Javier, you helped meet their everyday needs like food, clothing, shoes, and transportation so they could devote more time and energy to their ministry. Your decision to support Cuban church planters helped enable Javier share the Gospel with his community and have meaningful encounters with people like Mireima.

"My family and I feel very blessed with the donations of clothing and shoes, as well as food," Javier said. "Thank you for showing your love for the lost, even more so for those you don't know live so far away."

Mireima

SOUTH ASIA

Your continued generosity toward children living in South Asia is empowering them to break the cycle of poverty.

Your support of Grace Children's Home in Nepal and Gilgal Children's Home in India has been transformational to the lives of children living in poverty. Because of you, they now have hope for a brighter future!

Ever since Kingdom Partners first became involved with Grace Children's Home in 2002, hundreds of children have been impacted. Your support has never wavered, even in the face of crisis. When an earthquake destroyed Grace Children's Home in 2015, you were there, helping to rebuild.

You've also made a huge difference for the children living at Gilgal Children's Home by providing nutritious food, clean water, educational opportunities, medical care, and so much more. Because of you, these children will grow up equipped and able to chase their dreams!

“*I want to thank you for your prayers and support for me. Due to your help, I have a good future.*” — Shaurya, sponsored child from Gilgal Children's Home

Thank you for investing in children's homes in South Asia. Your generosity is a powerful and life-changing example of God's love.

Shaurya

UGANDA

Because of you, children in Uganda are discovering that poverty doesn't have to define their future. Your generosity is giving them the chance to receive an education, pursue their dreams, and experience the love of Christ in tangible ways.

Over the years, Kingdom Partners has made significant investments to improve the lives of children in Uganda. You funded a beautiful new building for Good Samaritan Children's Home and helped make it possible for Good Samaritan to start a second campus in Kikooba. Most recently, you helped complete major renovations at both campuses, ensuring that the students can thrive in safe, high-quality facilities.

This past year, Kingdom Partners members also began sponsoring five new children at Destined Noble Kids School. Now, even more boys and girls are receiving an education as well as essentials like food, clean water, medical care, and the chance to experience the love of Jesus in a practical way.

One student, Emmanuel, put it best:

“If it was not for you, I don't know if I could reach this level of education. I pray so that our almighty God will bless you so much.”

Thank you for helping children in Uganda grow into capable, compassionate adults who will be equipped with the tools to lift their families and communities toward a brighter tomorrow.

SPONSORSHIP

In 2025, Kingdom Partners members sponsored 148 children in countries like Honduras, Rwanda, and the Philippines – giving them the essentials they needed to grow, learn, and thrive.

Through your sponsorship, children around the world received essentials like nutritious food, clean water, medical care, and educational opportunities. But beyond the basics, your support also brought encouragement, showing them that they are valued and loved.

Yesmin is just one example of how your sponsorship has transformed lives:

Yesmin dreams of becoming a doctor when she grows up – but before sponsorship, that dream seemed impossible. While Yesmin's parents work hard to care for her and her three siblings, there isn't enough money for basic necessities like food and medical care, let alone her education.

Then, Yesmin was sponsored by a Kingdom Partners member, and her life completely changed! Thanks to her sponsor, Yesmin is now getting the education and essentials she needs to have a brighter future.

"I really enjoy learning," Yesmin said. "It's a place where I feel safe, where I can share with my friends, and where I learn important life lessons. Thank you for everything you do for me!"

By sponsoring children like Yesmin, you're not just meeting their immediate needs ... you're also giving them a foundation of hope that will last a lifetime.

Yesmin

KINGDOM PARTNERS

— GOLF TOURNAMENT —

FUNDRAISERS

Kingdom Partners hosted a variety of fundraising events over the past year that transformed lives around the globe.

Kingdom Partners' fiscal year started strong, raising more than double your goal at the **2024 Charity Classic Golf Tournament** — enough to impact over 16,700 lives! Then, the **2024 Turkey Wobble** provided clean water and emergency aid to over 2,000 Hurricane Helene survivors. In April, your donations at the **Night of Freedom** event supported programs in Thailand protecting children from exploitation. In June, you raised enough at the **Rock Creek Cattle Company Dinner** to provide help and hope for over 25,000 people in need. And finally, you raised enough funds at the **Kingdom Partners Golf Tournament and Auction** to ship millions of dollars' worth of lifesaving supplies worldwide!

**Kingdom Partners

**2024 Turkey
Wobble***

\$53,674

**Rock Creek Cattle
Company Dinner**

\$302,788

*This report went to print before the 2025 Legacy Classic and Turkey Wobble fundraising results were final. Those results will be published in the 2026 report.

IMPACT

Every year, Kingdom Partners makes a profound difference in the lives of people around the world. Your support has provided not just immediate relief, but lasting hope, opportunity, and the love of Christ to thousands. Thank you for providing essentials like food, clean water, medical care, God's Word, and so much more to people in need.

Since 1999, your faithful generosity — totaling \$25,248,900 — has helped transform over 5.2 million lives across 70 countries.

In 2025 alone, you contributed \$3,116,977, reaching 459,691 people in 27 countries! It is truly an honor to see God's work through you continue to grow and expand globally.
