

YOU PROVIDED FOOD AND BIBLES IN NORTH KOREA

Thank you for providing nutritious food and copies of God's Word to members of the underground church in North Korea.

North Korea has been ranked as one of the most dangerous places in the world to be a Christian for over 20 years. Believers risk imprisonment or even execution for following Jesus. Plus, an ongoing food shortage has left countless North Koreans facing starvation.

But you helped provide North Korean Christians with physical and spiritual relief.

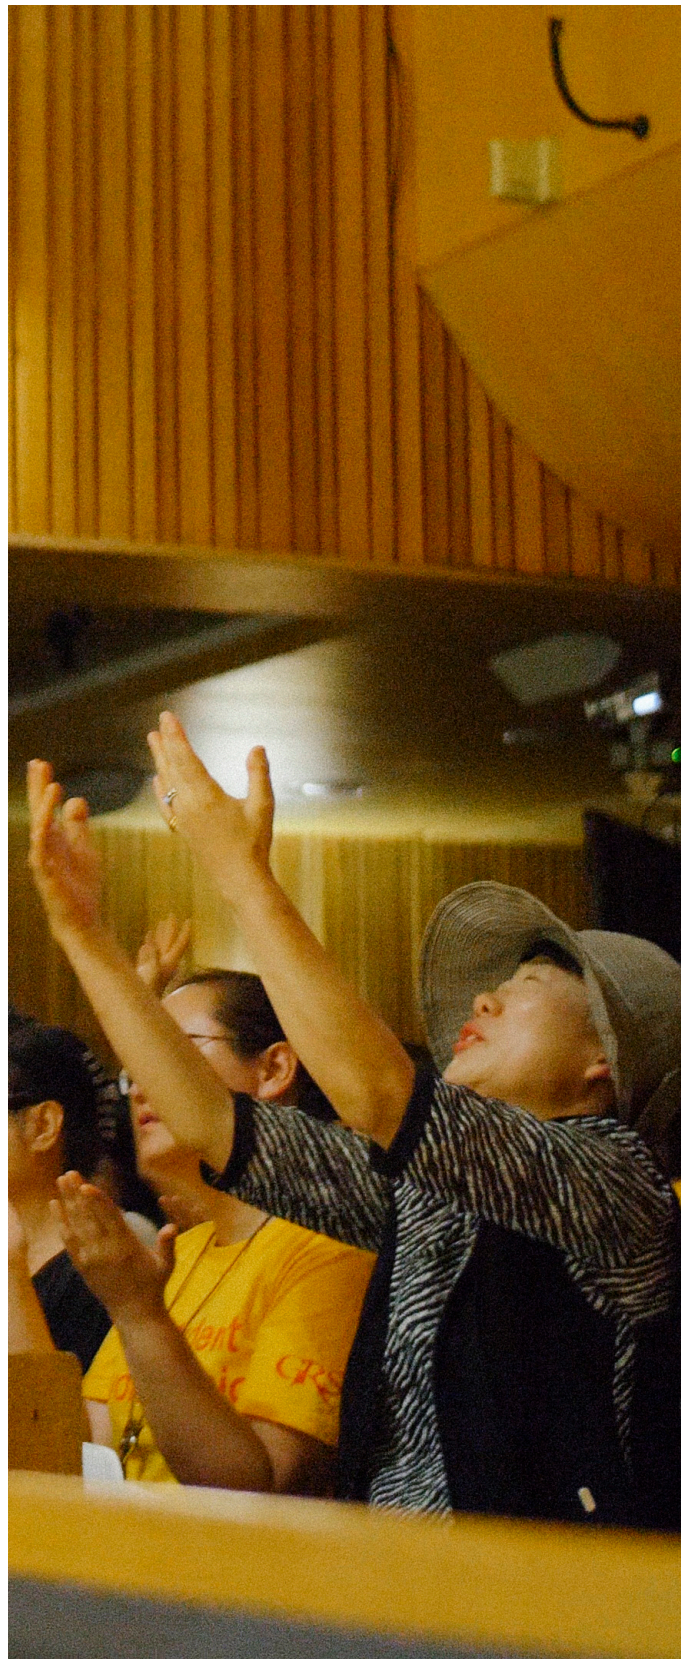

Read on to see how you helped save lives and made an eternal impact in North Korea:

YOUR GIFT OF BIBLES PROVIDED MUCH-NEEDED ENCOURAGEMENT

Can you imagine constantly risking your life for your faith ... and not even having a copy of the Scriptures to give you the encouragement you needed to face the day?

That's the reality for the majority of underground Christians in North Korea. Bibles are officially banned, so most North Korean believers only have access to God's Word through Bible verses that have been memorized and passed down to them or written on scraps of paper. They dream of owning a complete copy for themselves, even despite the risks.

And thanks to your support, the dream of owning a Bible is coming true for many underground Christians!

Your gift was a lifeline for North Korean Christians facing persecution and starvation.

Our partners report that they were recently able to stock their warehouse with thousands of North Korean Bibles that will gradually and covertly be delivered across the border to ensure they safely arrive in the hand of the people waiting for them.

“What God does is amazing,” our partner said. “We praise the Lord for sending the Bible to North Korean souls who need His Word.”

Now, persecuted believers can study God’s Word and find hope and strength when they need it most.

YOUR GIFT OF FOOD HELPED SAVE LIVES

But that’s not all you helped accomplish. You also provided lifesaving food ... because the fact is, North Korean Christians can’t grow in their faith or share it with others if they are starving to death.

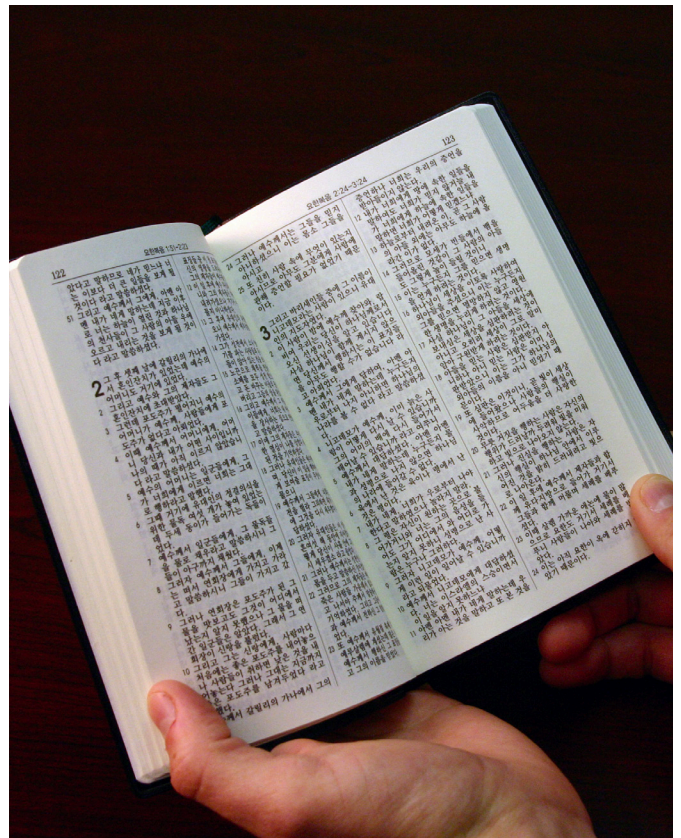

And unfortunately, countless people are starving across North Korea. Extreme droughts, floods, and other factors have created a historic food crisis that has stretched on for years. North Koreans are desperate for hope – hope that you were able to provide.

Through support from you and other generous donors, our partners in North Korea were recently able to distribute 200,000 pounds of nutritious food to starving people across the country!

“I thank you for not forgetting us as we live through suffering and trials,” one underground church leader said, “and for sending us yet another amazing gift of love.”

You have truly been the hands and feet of Jesus in North Korea, helping to save lives and making an impact that will outlive you and last for eternity.

THANK YOU!

You transformed lives and helped spread the Gospel in one of the most spiritually dark countries on earth.
