

**YOU'RE MAKING  
AN IMPACT  
ON THE FRONT LINE**

## MARINA'S STORY

When war forced Marina and her daughter to flee their home in eastern Ukraine, they escaped with only what they could carry. Eventually, they found a place to live, and Marina got a job as a saleswoman, but after starting completely over and making only a small income, she still struggled to put food on the table.

She often feared she and her daughter would starve.

But your support changed that. Because of you, Marina received a lifesaving supply of nutritious food. Now, she no longer has to worry about how she will feed her daughter.

"This is a great help at this time and hour," Marina said. "Everyone is struggling ... but this support is like a ray of hope."

Marina is just one story your giving made possible this year.

Recently, World Help supporters like you also:

- Provided emergency relief for Hurricane Melissa victims in the Caribbean
- Completed a water project in Uganda that will impact 600 people
- Shipped eight containers of essentials to countries like Burundi, Peru, and Ukraine
- Provided ministry training to 120 pastors serving in Southeast Asia
- And so much more!

Thank you again for standing on the front lines with us this year. You have truly been the hands and feet of Jesus around the world.
