

WorldHelp® PRAYER GUIDE

Join the World Help family in praying for people to be reached with the Gospel.

WEEK 1

PRAY FOR PEOPLE WHO HAVE NEVER HEARD THE NAME OF JESUS

In spiritually dark places around the world, many people have never heard the name of Jesus or read His Word. They're facing the challenges of life without hope for eternity or the promise of salvation. *Pray God will provide a way for these people to hear the Gospel and open their hearts to accept Him into their lives.*

WEEK 2

PRAY FOR PEOPLE WHO DON'T HAVE ACCESS TO GOD'S WORD

Throughout the world, many people live in what are called Bible deserts. In these places, copies of God's Word are scarce or nonexistent. Some people have never had the chance to read a verse of Scripture or hold a Bible in their hands. *Pray that Bibles reach people living in Bible deserts around the world.*

WEEK 3

PRAY FOR CHURCH PLANTERS WORKING TO SHARE THE GOSPEL WORLDWIDE

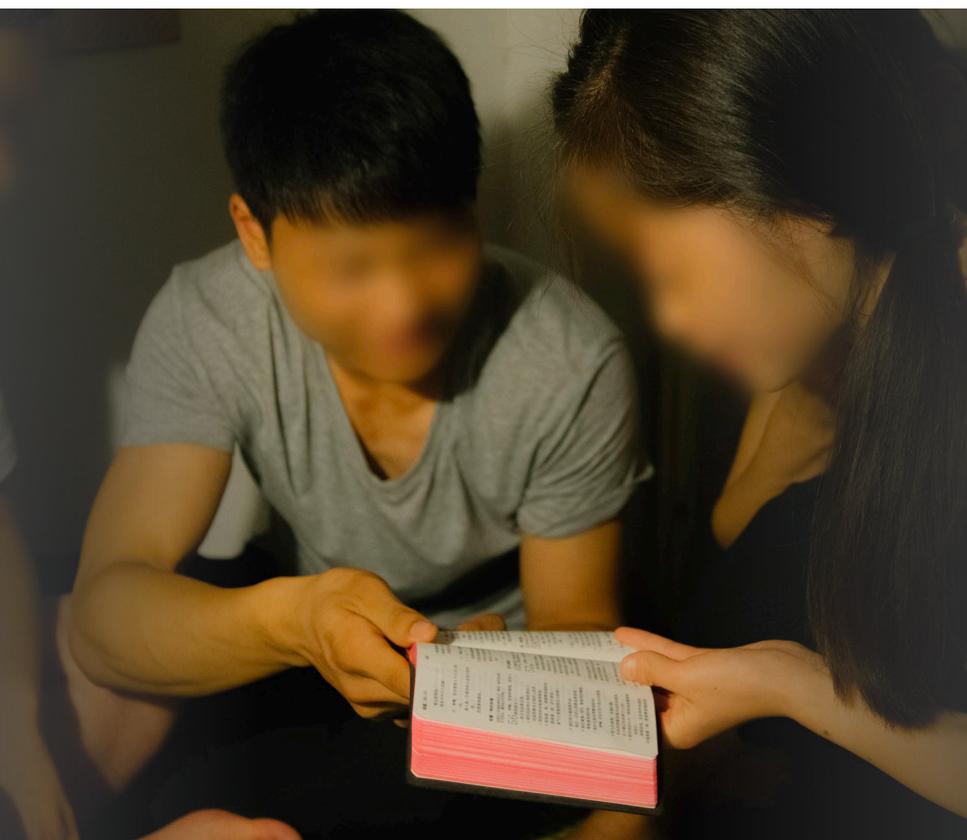

Church planters are working to share the Good News of the Gospel and establish faith communities in unreached, often remote areas. This work can be draining, difficult, and dangerous, especially in countries that are closed to the Gospel. *Pray that God protects and provides for church planters around the world.*

WEEK 4

PRAY FOR PEOPLE LIVING IN COUNTRIES CLOSED TO THE GOSPEL

In many countries, Christians are persecuted for their faith. If they share openly about Jesus, they risk rejection by their community, imprisonment, or worse. Because of this, many Christ-followers are forced to worship in secret. *Pray for God to protect, strengthen, and encourage Christians worldwide facing persecution.*

How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them?
