

YOU HELPED TRANSFORM LIVES LIKE JULIANA'S

You helped save so many lives last year on the Front Line! And now that it's 2026, your gifts are already hard at work. Thank you for your dedication to providing emergency relief to men, women, and children who need it most – like Juliana.

JULIANA'S STORY

Suddenly homeless, Juliana, her husband, and their three children had no idea how they'd make it through the coming months. To make matters worse, Juliana's husband was still recovering from tuberculosis, so he struggled to work.

With no hope in sight, each day became a battle just to stay alive.

Thankfully, Front Line supporters like you provided Juliana's family with emergency essentials like nutritious food and a warm blanket!

Gifts like yours took an enormous burden off of Juliana. Now, instead of worrying what her family will eat, she can focus on recovering and rebuilding.
