Kingdom Partners is a local group of Christian men and women of all ages passionate about helping people in need. Since our inception in 1999, we have raised and contributed more than \$25 million to help millions of people through various projects worldwide, including children's homes, schools, clean-water projects, a hospital, a boys' dorm, medical clinics, child sponsorship, feeding centers, disaster relief, and humanitarian aid.

The Kingdom Partners Golf Tournament has been privileged to transform lives worldwide for 21 years. Through our golf tournaments over the past two decades, we have raised more than \$6.5 million to help hundreds of thousands of people around the globe. For many, this aid was the difference between life and death!

Building on that success, our goal this year is to raise \$400,000 to ship over \$6.4 million worth of critical aid to developing countries. This will provide more than 250,000 people with lifesaving supplies like food, clothing, hygiene kits, and medical equipment!

These vital supplies have been donated and are just waiting for the funds to ship them. By covering the shipping costs, we will multiply our investment, touch dozens of countries, and help save the lives of many people.

Our members are underwriting ALL the expenses involved with the golf tournament and dinner so that 100 percent of the funds we raise will go directly to this project.

We are committed to making this event a memorable experience for you and a tremendous success for the people around the world who need our help. **The tournament will sell out fast, so please sign up early and join us for Kingdom Partners 21st Annual Golf Tournament Monday, Oct. 19.**

If you are unable to play in the tournament, we invite you to participate by being a sponsor, joining us for the dinner and auction, donating items for the auction, or making a contribution.

We hope you can join us to greet old friends or meet new ones for a day of challenges, food, fun, entertainment, inspiration, the opportunity to make a real difference for people in crisis. Hope to see you Oct. 19!
