

YOU BROUGHT **HELP AND HOPE** AROUND THE WORLD

FRONT LINE

Thank you for helping save lives every month as a Front Line supporter.

Our team regularly receives messages from around the globe sharing about how gifts like yours met someone's most urgent needs. Catherine is just one example of the difference you're making each time you give...

Catherine works tirelessly as a single mom in Zambia, doing everything she can to provide for her two teenage children. She sells packs of water and avocados when they're in season, but the income is barely enough to survive.

For a long time, her family struggled to afford even one meal a day. Her son was forced to drop out of school to work and help support the family – but even with his help, there still wasn't enough to cover basic essentials. Without help, Catherine feared they would starve.

Thankfully, world changers like you stepped in to provide Catherine and her children with the food they needed! She was so grateful and relieved to know her family would no longer go hungry. They were reminded that they are seen, loved, and not forgotten ... by God or by you.

Thank you for transforming lives and showing the love of Jesus with families like Catherine's. You are truly making an eternal impact on the Front Line. Thank you again for being a lifeline
