

WorldHelp® PRAYER GUIDE

Join the World Help family in praying for the greatest needs in Burundi.

WEEK 1

PRAY FOR PEOPLE WITHOUT ENOUGH FOOD

Many people across Burundi, especially in rural areas, don't have access to nutritious food. Poverty, natural disasters, and conflicts have robbed many families of their livelihoods, and they can't afford to put food on the table. Children are especially susceptible to starvation and malnutrition. *Pray that God would provide hungry people in Burundi with lifesaving food.*

WEEK 2

PRAY FOR COMMUNITIES AFFECTED BY NATURAL DISASTERS

Burundi is prone to natural disasters like flooding, landslides, and droughts ... and the frequency of these crises is increasing. As a result, countless people lose crops, cattle, and even loved ones every year. Others are displaced by these disasters and end up fighting for survival far from home. *Pray that God would protect families and communities from these devastating weather events and help those affected to rebuild.*

WEEK 3

PRAY FOR CHILDREN WITHOUT ACCESS TO EDUCATION

Burundi is facing an education crisis. A shortage of teachers, poverty, and overall lack of funding have left countless boys and girls without an education. When children can't go to school, they often grow up without the skills they need to get stable jobs, and the cycle of poverty continues. *Please pray that God would open doors for all children in Burundi to get a full education.*

WEEK 4

PRAY FOR PEOPLE WITHOUT CLEAN WATER

Many people in Burundi can't access clean water, especially those living in rural and isolated areas. Without safe water to drink and cook with, they're vulnerable to deadly waterborne illnesses like cholera. Women and children often have to travel long, dangerous journeys to gather this water, which forces them to miss work or school. *Please pray that all Burundians would have a stable source of clean, safe water.*
