

# BECOME A SPONSOR OF SERVE THE WORLD DAY

HONORING THE LEGACY  
of PATRICK SHAW

**T**his is your chance to change the world! Every year, over 300 community members come together for a full day of service at World Help's Humanitarian Aid Distribution Center, where they sort and pack lifesaving supplies to be shipped worldwide. When you become the Title Sponsor, you'll make a lasting impact by ensuring those supplies reach the people who need them most!

## WHY BECOME THE TITLE SPONSOR?

After our volunteers pack these lifesaving supplies, we need help covering the cost of shipping them to people in urgent need around the world. That's where you come in! Every dollar you give will multiply 16x, which means your \$25,000 gift will ship \$400,000 worth of aid! As the Title Sponsor, you will play a vital role in transforming lives and reminding struggling men, women, and children that they're not alone.
