

2025-2026: A YEAR OF LIFE CHANGING IMPACT

Every number tells a story of hope made possible through your generosity.

World Help supporters made a huge impact over the last year! Thanks to your generosity, men, women, and children around the world experienced life-changing help and hope. Refugees and displaced people received lifesaving essentials. Starving children gained access to nutritious food. Communities facing extreme poverty received hope for a better future. Persecuted Christ-followers held their very own Bibles for the first time.

Thank you for transforming lives this past year. You met urgent needs and demonstrated Christ's love worldwide!
