You gave Amal's family
medical care and God's Word

Burundi

You provided lifesaving meals for Emileen’s children

In a remote community in Burundi, hunger shadows nearly every home ... including Emileen’s. She and her husband are raising five children under 3 – a set of twins and a set of triplets. Her husband works incredibly hard hauling wood for a living, but he earns only 50 cents a day. It’s simply not enough to feed their family.

Emileen felt helpless as she watched her little ones grow thinner. Every day was a battle for survival.

Thankfully, gifts like yours helped provide nutritious food to Emileen’s community. Now, her children receive healthy breakfasts and lunches every day.

“This food is a lifesaver,” our partner said. And for this family, it truly is.

Because of your compassion and generosity, Emileen’s children are no longer starving. They’re growing stronger, healthier, and more hopeful with every meal.

Thank you!

As part of the World Help family, you continue to live out what it means to be a world changer. When you see people in need, you don’t turn away – you step in. You make sure a hungry child has food, a displaced family finds safety, and a struggling community experiences the hope of Christ.

In this newsletter, you’ll read just a few examples of the impact you’ve made in places like Ukraine, El Salvador, and beyond. Each story is a reminder that your generosity is more than a gift ... it’s a lifeline.

Thank you for meeting urgent needs, opening doors for the Gospel, and shining God’s love worldwide. I’m so grateful for all you’ve done to transform lives.

*Help and Hope,
Noel*

BURUNDI

Your generosity is helping fill hungry stomachs and bring hope to families like Emileen’s.

You helped bring physical and spiritual healing to Amal's family

Amal, whose name we've changed for protection, is a refugee in the Middle East ... and every day is a struggle for her and her family. After fleeing violence, they arrived at a refugee camp with no way to support themselves.

Amal's husband has a severe skin condition that makes working painful, and their son needs medical treatment they couldn't afford. With these burdens and little access to essentials, Amal began to lose hope.

Thanks to supporters like you, though, Amal's family received the medical care they needed.

Amal also learned about the Good News of Jesus and asked for a Bible. She is now eager to learn more about God and tell her children about Him.

EL SALVADOR

Thank you for caring for Daysi's family and for providing the food and hope they needed!

Because of you, Daysi now has hope for the future

Life has been incredibly difficult for 18-year-old Daysi in rural El Salvador. She lives with her widowed father, her older brother, and her sister, who is a single mom to two girls. **When Daysi learned she was pregnant and would be a mom herself, she didn't know how she would provide for her child.**

Her father and brother worked hard farming and doing construction, but they still couldn't afford enough food for the family. Many days, they went to bed hungry, and Daysi wasn't getting the nutrition she needed to keep herself and her unborn baby healthy.

Then, you stepped in to provide nutrient-fortified meals, meeting Daysi's most urgent need. Now, her family has enough to eat, and she feels hope for her baby's future.

Your kindness has also been a powerful testimony. "They know that God has never left them," our partner said. "He continues to provide through the love and generosity of His people."
