

YOUR

FRONT LINE

IMPACT

You've done so much to help save lives as a Front Line supporter, and Paula is just one example of that.

Paula and her family fled their home in the Democratic Republic of the Congo after violence broke out. They barely escaped with their lives and left almost everything behind.

Now living in Burundi as refugees, they're facing a new struggle for survival. Paula's children often get sick, and while they receive a small amount of food from the refugee camp each month, it's far from enough to live on. Without enough food, Paula and her husband feared their children would starve.

Thankfully, world changers like you stepped in to help at just the right time. Thanks to your incredible support, Paul and her family received a supply of nutritious rice! Now, they no longer have to worry about where their next meal will come from, and they can focus on affording medical care for the children.

"We are happy someone remembered us," Paula's husband said.

You've truly transformed lives! Thank you again for being a lifeline for people in urgent need. As a Front Line member, you are the hands and feet of Jesus all around the world!
